## OPPORTUNITIES AVAILABLE

### DANCE TUITION CHOREOGRAPHY PERFORMANCE, THERAPEUTIC MOVEMENT, TEACHER TRAINING

#### COURSE CONTENT

**Beginners** The fundamentals of the founding MMM exercise & dance technique.

**Intermediate** More complex combinations of traveling phrases, balances, varying dynamic quality of movement, interpretation and accuracy of line.

**Advanced** A series of dances demanding a high level of co-ordination, balance, dynamics and elevation developing the dancers own performance, stage projection, interpretation and musicality.

**DANCE TECHNIQUE CLASSES** Beginners, Improvers and Intermediate.

**TEENAGERS 13+ CLASSES** Elementary and Modern Dance Technique.

**CHILDREN'S GRADES I-V** A structured sequence of dance exercises, plus improvisation work to introduce children to all elements of dance.

**CHILDREN'S DANCE CLASSES** MMM teachers are particularly inventive in their approach to teaching children. Your child will have a wonderful time learning and performing a variety of dances in the show held towards the end of each week. The children play a big part in developing the costumes, props, and scenery in daily art classes.

**TEENS DANCE CLASSES** Geared towards learning and performing pieces for the end of week dance show. There are opportunities to develop individual choreographic ideas if you wish. Come prepared with costume ideas and good quality music approximately 3 minutes long.

**OPEN DANCE CLASSES** A variety of techniques are available given by the international team of teachers for you to explore and enjoy. These classes are open to students of all levels.

**CREATIVE DANCE CLASSES** These classes are open to all students. They explore movement through structured ideas and improvisation.

**MMM IS A THERAPEUTIC MOVEMENT FOR ALL** MMM technique has therapeutic benefits for everyone including those with special needs. It is important that all participants relay individual medical issues/concerns to their teacher to ensure a safe approach to movement. You will find it a structured and rewarding technique.

**POSTURE AND RELAXATION** This gentle class aims to help correct spinal alignment, gently mobilise, aid co-ordination, breath control and balance and reduce stress. A combination of MMM and a variety of valuable techniques are used by the team of international teachers. You will learn the importance of a safe approach to movement.

**"MMM welcomes all people irrespective of their age, ethnic origin, gender, ability or disability."**

**"MMM has a policy for the protection of Children and vulnerable Adults"**
